Delta Star, Inc. Announces Partnership with Leading Edge Sales

LYNCHBURG, Va. – Delta Star, Inc. is pleased to announce that Leading Edge Sales has been appointed as the representative for the Western Canadian Provinces of Manitoba, Saskatchewan, Alberta and British Columbia.

We strongly believe that Leading Edge Sales, a Calgary, Alberta based firm, has all the required experience and resources to provide excellent representation of Delta Star, Inc. in Western Canada for our vast portfolio of products and services.

Grant Meadows and Jeffrey Pooranalingam are both highly recommended and respected in the industry amongst suppliers and customers, and we look forward to a long and productive partnership with them.

Delta Star, Inc. is the leading quality manufacturer of power transformers, the premier manufacturer of mobile transformers and mobile substations, and the most qualified remanufacturer of mobile substations and mobile transformers in North America.

Delta Star, Inc. owns and operates three state-of-the-art manufacturing facilities in North America. Our newest facility is located in Saint-Jean-sur-Richelieu, Quebec, Canada (Delta Star North - DSN) with two other facilities, one in Lynchburg, Virginia, USA and San Carlos, California, USA. Delta Star's manufacturing capabilities range from 5 MVA to 300 MVA and up to 345 kV 1175 BIL.

We look forward to a long and successful partnership with Leading Edge Sales.

Thank you!
